Subject: FY 2021 and FY 2022 Revenue Sharing Program Applications
Funding Approval for FY 2025 and FY 2026

At their December 9th meeting, the Commonwealth Transportation Board approved allocations for the Priority 1 and Priority 2 applications that had been submitted for the FY 2021-2022 Revenue Sharing Program application cycle. Due to impacts of the COVID pandemic, allocations requested for the FY 2021-2022 Revenue Sharing cycle are being budgeted in FY 2025 and FY 2026. The list of approved projects can be found on our website at: <http://www.virginiadot.org/business/local-assistance.asp>. Your local VDOT representative will be contacting you regarding the next steps to ensure that these projects move forward successfully.

The next application cycle will begin in late spring 2021. Applications submitted during the next application cycle will be programmed for allocation in FY 2027 and FY 2028. Now is the time to start preparing those applications and having discussions with your local VDOT representative, particularly regarding schedules and estimates.

As a reminder, the Department will begin its annual deallocation review mid-2021. The deallocation process is intended to ensure that Revenue Sharing funds are being utilized in a timely manner. If you have funds subject to deallocation, your local VDOT representative will be contacting you to discuss this and provide you with an opportunity to review available options. A copy of the Revenue Sharing deallocation process can be found in the Department's Revenue Sharing Guidelines that is also available on our website.

The Department looks forward to working with you on the Revenue Sharing Program during the upcoming months. If you have any questions about the program, please consult your local VDOT representative or contact VDOT's Revenue Sharing Program Manager, Michele Piccolomini, at (804) 786-9125 or by email at michele.piccolomini@vdot.virginia.gov. I can be reached at (804) 786-9810 or by email at penny.forrest@vdot.virginia.gov

Sincerely,
